INDEX.

VOLUME VI.

ABDOMEN, inunction of, during pregnany, 436.
Abdominal Section, an account of two-hundred and eight consecutive cases, 155.
for puerperal peritonitis, 153.
surgery, flat sponges for use in, 228.
Aborigines of Central Australia, extraordinary customs of, 212.
Abortion, asafœtida in, 436.
induction of necessitated by hemorrhage at fifth month, 190.
removal of secundines after, 505, 609.
treatment of retained placenta after, 281.
Absorbent cotton as a dressing, 455.
Abscess, chronic, of pelvis, 530.
perimetric, 136.
retrovertebral, in infants, 327.
Achromatopsia in hysterical patients, 105.
Alimentation and the digestive tube of infants, 652.
Amenorrhea, 108.
Amniotic fluid, ptomaines in the, 94.
Anesthesia in obstetrics, 484.
Anesthetics during labor, 328, 435.
nitrous oxide as, during labor, 435.
Antiseptics in the puerpera, 435.
midwifery, 540.
Articular rheumatism in children, cardiac complications in, 110.
Asafetida as an aid to the better development of the fetus, 94.
in abortion, 436.
Ascites, infantile, 216.
Axis-traction in delivery with forceps, 647.

BIBLIOGRAPHY:
Diseases of Women, Fritsch, 280.
Guide to American Medical Students in Europe, 615.
Hand-Book of Electro-Therapeutics, Erb, 616.
Hospital Treatment of Diseases of the Heart and Lungs, Goodwin, 56.
International Encyclopædia of Surgery, Ashhurst 445.
Legal Medicine, Tidy, 168.
Malarial Poison, Orto, 280.

BIBLIOGRAPHY:
Manual of Gynecology, Hart and Barbour, 168, 280.
Manual of Histology, Satterthwaite, 280.
Manual of Obstetrics, King, 558.
Medical and Surgical History of the War of the Rebellion, 390.
Medical Essays, 1842-82, Holmes, 558.
Medical Student's Manual of Chemistry, Witthaus, 615.
Microscope and its Revelations, Carpenter, 390.
Physiological Factor in Diagnosis, Fothergill, 616.
Practical Treatise on the Medical and Surgical Uses of Electricity, Beard, 560.
Practitioner's Ready Reference Book, Dunglison, 447.
Pocket Therapeutics and Dose Book, Stewart, 168.
Record of Obstetrics, Octerloney, 559.
Text-Book of General Pathological Anatomy and Pathogenesis, Zeigler, 560.
The Human Laboratory, Norton, 391.
The Physician Himself, 280.
The Physician is a Good Man, Skilled in Healing, Parvin, 280.
Transactions of the Medical Society of the State of New York, 1882 56.
Transactions of the St Louis Obstetrical and Gynecological Society for 1882 83 662.
Treatment of Diseases of Infancy and Childhood, Goodwin, 559.
Treatment of Wounds, Pilcher, 616.
Types of Insanity, Hamilton, 557.
Blindness, premature delivery for prevention of, 88.
Blood-letting in chlorosis, 441.
Bohemian lying-in hospital, 495.
Bromide of ethyl during labor, 155.
Bronchitis in childhood 325.

CÆSAREAN Section for pregnancy with cancer of the cervix, 138.
Calcareous particles passed per vaginam, 232.

Cancer, increasing fatality of, 496.
inheritance of, 209.
of the cervix complicating pregnancy, 138.
of the uterus, 320, 625.
Cancerous uterus, is extirpation a justifiable operation? 528.
womb removed per vaginam, 643.
Cannabis indica in menorrhagia, 438.
Carcinoma of cervix, 547.
of both ovaries. 440.
uteri, microscopic sections of, 136.
Cardiac acephalic fœtus, 360.
complications in acute articular rheumatism in children, 110.
Cases from practice, 169.
Catamenia, deviation of the, 323.
Celerina, a trustworthy combination of coca, viburnum and celery, 544.
Cerebro-spinal meningitis, 172.
Cervix uteri, carcinoma of, 547.
lacerated, 347, 368.
rapid dilatation of, 379.
restoration of the lacerated, with reference to the effect on sterility and labor
Chamomile in infantile diarrhea, 335.
Chloroform fatal arrest of the digestive process from, 480.
Chlorosis, blood-letting in, 441.
Chorion, hydatidiform disease of the, 107.
Cleanliness, importance of, in surgical operations, 519.
Columbia hospital for women and lying-in hospital, sixteenth annual report, 321.
Congenital fissure of urethra with extrophy of bladder, 524.
Contagion of measles, 165.
Contagious diseases, duration of isolation of subjects of, 277.
Contractions, direction of uterine, 136.
Convulsions, infantile, 53.
puerperal 638, 639
Cotton, absorbent, as a dressing, 455.
Cord, knotted umbilical, 365.
labor delayed by shortened, 61 125.
Cowpox, the divine origin of, 391.
Craniotomy and cephalotripsy, 204.
Croupous pneumonia, 442.
Cul-de-sac, operation for closing Douglas', 57.
Cysts of the parovarium 642.
hydatidiform, 337.
suppurating parovarian 360.
suppurating, of the broad ligament perforating the bladder, 238.
puncture of ovarian, 142.
Cystic degeneration of uterine fibroid, 360.
diseases of ovaries, 360.
tumor, history of a case of abdominal. 129.
Cystocele complicating labor, 330.

DECIDUOUS Membrane, 135.
Delivery, premature, for prevention of blindness, 88.
Diabetes in pregnancy, 74.
puerperal, 37.
Diarrhœa, chamomile in infantile, 335.
in infants, 504.
Digestive process, from fatal arrest of chloroform, 480.
tube of infants and alimentation, 652.
Dilatation of the uterus, 27, 149.
rapid, of the cervix uteri, 379.
Dilators, urethral, 316.
Diphtheria, oil of turpentine in, 54.
perchloride of iron in, 444.
resorcin in, 52.
Diphtheritic paralysis, 642.
Dissecting metritis, 261.
Displacements, improved method of treating uterine, 44, 161.
of the uterus, Mathews Duncan on minor, 661.
Double uterus and vagina, 91.
Duboisia as a subcutaneous injection in exophthalmic goitre, 164.
Dysmenorrhœa, 521, 644.
Dyspepsia, uterine, 210.

ECLAMPSIA, on the behavior of the uterus in puerperal, 361.
pilocarpin in puerperal, 94, 156, 382.
puerperal, 428.
hypodermic injection of morphine in puerperal, 341.
with face presentation, 513.
Education of children, 554.
Electrical treatment of extra-uterine pregnancy, 146.
Electricity, physiological effects of, on the uterus, 155.
Embolism, death from, 75.
Endometritis fungoso, etiology of, 436.
Enucleation, double, of uterine fibroids, 126.
Epithelioma, subcutaneous ligature of, ulcerating. 604.
Ergot, administration of, per anum, 583.
in uterine myomata, 100.
the use and abuse of this dangerous drug, 531, 533.
Ergotine suppositories, 330.
Ethyl bromide during labor, 155.
Eucalyptus oil in obstetric practice, 371.
Extirpation of uterus and some of its advocates, 298, 400, 578.
results of the operation, 152.
Extraordinary customs of the aborigines of Central Australia, 212.
Extra-uterine fœtation, 359.
gestation simulating missed labor, 360.
pregnancy, 414.

FACE-PRESENTATION, 371, 393, 403.
with eclampsia, 513.
Feeding of infants, 53.
syphilitic children, 532.
Fecundity remarkable 662.
Fever, intestinal lesions in typhoid of children, 324.
large doses of quinine in infantile typhoid 111.
puerperal, 459, 476.
Fibro-cyst of the uterus, removal of a remarkable, 36.
myomata, operative treatment of uterine, 597.
Fibroids, cystic degeneration of uterine, 360.
double enucleation of uterine, 126.
removed by abdominal section, 136.
removal of large uterine, at vaginal junction, 62.
Fistula recto-vaginal, 346.
vesico-vaginal, 312.
France, large families in, 173.
Fœtation, interstitial or tubo-uterine, 362.
extra-uterine, 359.
Fœtus, cardiac acephalic, 360.
Food, a good infant, 194.
for infants, 608.
Forceps, axis-traction with, in delivery, 647.
labor, fifth position, 635.

GALACTAGOGUE, a new, 156.
Generative organs, connection between ocular diseases and, 191.
Genital tracts, some points in the reparative surgery of the, 381.
Glycerin tampon in gynecological therapeutics, 106.
Glycosuria, 327
Goitre, duboisia as a subcutaneous injection in exophthalmic, 164.
Gynecology and obstetrics, review of, 388, 488.
a sharp spoon in, 549.

HEMATOMA vulvæ, 617.
Hemophilia, 104.
Hemorrhage in abortion, 190.
Herniaria glabra, 550.
Hot water enemata in delivery, 434, 542.
in secondary hemorrhage after pelvic operations, 520.
in therapeutics, 493.
Hydatidiform cysts, 337.
disease of the chorion, 107.
Hydramnios, acute 366.
Hydrocephalus, chronic, 225.
Hydrosalpinx, 360.
Hymen, imperforate, 50.
persistent in labor, 329.
Hypertrophy of the labia minora, 300.
Hypnotic sleep, rape during, 215.
Hysterectomy, with a new clamp for the removal of large uterine tumors, 267.
indications for 658.
Hysterical patients, achromatopsia in, 105.
Hysteria, causes of abdominal tympanites in, 333.
treatment of, 151.
visceral, 156.
Hystero-epilepsy as a complication of pregnancy, 645.

ILLEGITIMACY in Scotland, 149.
Imperforate hymen, 50, 329.
Inheritance of cancer 209.
Insanity, prevention of, in certain cases of nervous and hysterical women, 331.
Interstitial or tubo-uterine fœtation, 362.
tubo-gestation, 150.
Intestinal lesions in typhoid fever of children, 324.
Intra-uterine injections, 203.
vaccination, 392.
Inunction of abdomen dur ng pregnancy, 436.
Inversion of uterus, reposition of complete, 219.
new operation for reduction of chronic, 659.
IN MEMORIAM:
Depaul, Prof., 612
Sims, Dr. J. Marion, 615.
Ischiopagus, 360.
Isolation, duration of, of subjects of contagious diseases, 277.

KYPHOTIC Pelvis, obstetrics of the, 456.

LABIA MINORA, hypertrophy of the, 306.
Labor anesthetics during, 328.
bromide of ethyl during, 155.
complicated by cystocele, 330.
delayed by a shortened cord, 61, 125.
extra-uterine gestation simulating missed, 360.
forceps in fifth position, 635.
induced premature, necessitated by great œdema of the labia minora, 128.
induction of premature for relief of suppression of urine, 127.
rupture of vagina during, 597.
theory to explain the relaxation of vagina and perineum during, 532.
third stage of, 407.
Lacerated cervix uteri, 347.
Laceration of the perineum, prevention for, 154, 541.
new method for its repair, 525.
Laparotomy, 25.

Laparotomy, accidents to the gravid uterus as a complication of, 526.
in the new-born, 444.
Laparo-colotomy for removal of foreign body, 221.
Leucorrhœa, infantile, 607.
Lina Earl, report of results of post-mortem examination of the body of, 235.
Lying-in bed, the water bed as a, 143.

MALARIA in children, 334.
influence of, on pregnancy and the puerperal state 656.
Mammary tumors, 95.
Massage in phlegmasia dolens, 433.
of the uterus 439.
Mastitis, 218.
Measles, infectiveness of, 54, 165.
Medical practice, risks of, 208.
Melæna neonatorum 553.
Membrane, deciduous, 135.
Meningitis, acute in children, 561.
cerebro-spinal, 172.
tubercular cerebro-spinal, 239.
Menorrhagia, cannabis indica in, 438.
Menstruation after extirpation of the ovaries, 529.
and pregnancy, 30.
infantile, 555.
uterine mucous membrane during, 500.
vicarious, 654.
Metria, 459, 463.
Metritis, dissecting, 261.
Microscopic sections of carcinoma uteri, 136.
Midwifery, antiseptic, 540.
heroic 391.
native, in Ragoon, 148.
Milk, means of provoking the secretion of, 543.
Modern Obstetrics, 418.
Modification of Freund's operation for removal of uterus, 228.
Moral significance of sterility, 1.
Morphine, hypodermic injections of in puerperal eclampsia, 341.
Myoma, uterine, 457.
Myomata, ergot in uterine, 100.

NARCOSIS, effects of, on the urine of the newly-born, 29.
Neonatorum, melæna, 553.
trismus et tetanus, 217.
Nitrous oxide as an anesthetic in labor, 435.
Nocturnal eneuresis treated by voltaic alternatives, 109.
Nurses, training school for, in Chicago, 55.
Nursing woman, why does she not conceive, 321.

OBSTETRICS and gynecology, review of, 388, 488.
modern, 418.
Ocular diseases, and certain affections of the female generative organ, 191.
Œdema of the labia minora necessitating induction of premature labor, 128.
Oöphorectomy, 501.
Ophthalmia neonatorum, prophylaxis of, 141.
Os uteri, ulceration of, 369.
Ovarian cysts, puncture of, 142.
tumors, 314, 449.
Ovaries, carcinoma of both, 440.
cystic diseases of, 360.
diagnosis and treatment of chronic inflammation of, 38.
menstruation after extirpation of, 529.
Ovariotomy, 656.
a year's work in, 320.
essentials for success, 33.
on a child of 8½ years, 654.
notes of case eleventh, 47.
statistics of Mr. Spencer Wells, 145.
Ovaritis, treatment of, 373.

PALATABLE Drugs for children, 550.
Paralysis, infantile, 382.
diphtheritic, 642.
Parametritis, posterior, 218.
Parovarium, cysts of the, 642.
Pelvis, chronic abscess of, 530.
new method for measuring the diameters of, 152.
obstetrics of the kyptotic, 456.
the natural faulty or contracted, 204.
Perchloride of iron in diphtheria, 444.
Perimetric abscess, 136.
Perineorraphy, what is the proper management of the bowels after, 75.
Perineal laceration, new method for its repair, 525.
Perineum, new method of operating for ruptured, 137.
prevention of laceration of the, 154, 541.
relaxation of, and vagina during labor, 532.
Peritonitis, abdominal section for puerperal, 153.
Perspiration, invisable cutaneous in healthy and febrile children, 444.
Pértussis 654.
Pharyngitis et lymphadenitis retro-pharyngealis in children, 110.
Phlegmasia dolens, massage in, 433.
Picric acid as a test for albumen and sugar in the urine, 276.
Pilocarpin in puerperal eclampsia, 94 156, 382.
Placenta previa, 178.
complicated with septicemia, 175.

Placenta, let nature remove the, 655.
retained—an inquiry, 121, 136.
treatment of, after abortion, 281.
weighing three pounds after expulsion, 372.
Pleuro-pulmonary and uterine effections, relations between, 322.
Pneumonia, croupous, 442.
Popcorn in vomiting of pregnancy, 402, 455.
Porro-Cæsarean operation, 656.
Porro-Mueller operation, 584.
Porro's operation, 112, 156.
in Philadelphia, 555.
Post-mortem results of examination of the body of Lina Earl, 235.
Practice, risks of medical, 208.
Presentation, arm, case of 635, 637.
breech, case of, 638.
face, with eclampsia, 513.
management of, 371, 393, 403.
spina fida, 370.
Pregnancy, a new sign of, 90.
abdominal inunction during, 436.
and menstruation, 30.
and typhoid fever, 655.
complicated with cancer of the cervix, 138.
diabetes in, 74.
electrical treatment of extra-uterine, 146.
extraction of teeth during, 87.
extra-uterine 414, 594.
hystero-epilepsy as a complication, 645.
multiple, 174.
influence of malaria on, and the puerperal state, 656.
pop-corn in the vomiting of, 402, 455.
ulcerative cervical catarrh during, 93.
vomiting of, 30, 140, 151, 402, 455.
Progress, 30.
Prolapsus uteri, 568, 107.
Prolapse, vaginal, 25.
Ptomaines in the amniotic fluid, 94.
Puerpera, antiseptics in the, 435.
Puerperal convulsions, 638, 639.
diabetes, 37.
eclampsia, 428, 513.
hypodermic injections of morphine in, 341.
on the behavior of the uterus in, 361.
pilocarpin in, 94, 156, 382.
fever, 459, 467.
peritonitis, abdominal section for, 153.
Puerperium, observations on the bladder during early, 92.
Pupillary phenomenon observed in childhood, 165.
Pyosalpinx, 360.

QUININE in the diseases of children, 111, 504, 554.
Quick treatment, one excuse for, 662.

RADICAL cure of complete prolapse of the womb, 107.
Rape during hypnotic sleep, 215.
Recto-vaginal fistula, 346.
Report of the military lying-in hospital of Colchester for 1881-2, 111.
Repositor, a new uterine, 51.
Resorcin in diphtheria, 52.
Retained placenta, 121, 136.
Retention of a detruncated head and the placenta in utero for forty days, 144.
Rheumatism, articular in children, 29.
Risks of medical practice, 208.
Rupture of vagina during labor, 597.

SECUNDINES, removal of, after abortion, 609.
Septicemia complicating placenta previa, 175.
Scarlatina maligna, therapeutic value of sulphurous acid in, 108.
Sharp spoon in gynecology, 349.
SOCIETY REPORTS:
Academy of Medicine, of New York, 203.
American Gynecological Society, 517.

Speculum, a new form of bivalve, 139.
application of the, 164.
Spina bifida presentation, 370.
Spleen, delivery prevented by an enlarged, in the child, 596.
Sponges, flat, for use in abdominal surgery, 228.
Starch, salivary digestion of by infants, 409.
fed infants, notes on the feces of, 412.
Sterility, 378.
and labor, restoration of the cervix uteri with reference to the effect on, 76.

Sterility, moral significance of, 1.
true relation of uterine disease to, 376.
Stone, bimanual detection and removal of, in children, 503.
in bladder associated with fistulous connection with the bowels, 232.
Sulphurous acid in scarlatina maligna, 108.
Summer complaints, management of, in children, 605.
Superinvolution of uterus, 517.
Suppositories, ergotine, 330.
Sutures in gynecological operations 104.
Syphilitic children, feeding of, 532.

TAMPON, Glycerin. in gynecological therapeutics, 106
Teeth, extraction of during pregnancy, 87.
Tenia in a child seven months old, 54.
Tibiæ, bent in children, 222.
Tobacco factories, effect of working in, on menstruation, pregnancy and lactation, 278.
Tonsillotomy in children, 388.
Tracheotomy, accidents 28.
Transmission of virulent diseases from the mother to the fetus, 89.
Triplets 655.
Trismus et tetanus neonatorum, 217.
Tubercular cerebro-spinal meningitis, 239
Tubo-gestation, interstitial, 150.
Tubo-uterine or intersti ial fœtation. 362.
Tumors, diagnosis of ovarian, 449.
history of a case of abdominal cystic, 129.
hysterectomy with a new clamp for removal of large uterine 267.
mammary, 95.
rare form of abdominal, 524.
two ovarian, 314.
Turpentine, oil of, in diphtheria, 54.
Twins, separation of connected, 27.
Tympanites, causes of abdominal, in hysteria, 333.

ULCERATIVE cervical catarrh dur ng pregnancy, 93.
Ulcers, pathology of varicose. 91.
Umbilical cord, knotted, 365.
Urethral dilators, 316.
Urine, induction of premature labor for relief of suppression of, 127.
of the newly born, effects of narcosis on, 29.
picric acid as a test for albumen and sugar in the, 276.
Uterine affections, relation between pleuro-pulmonary and. 322.
treatment of chronic, 195.
contractions, direction of, 136.
Uterine diseases, treatment of, 318.
true relation of sterility to, 376.
displacements, improved method of treat ng. 44.
dyspepsia, 210.
fibroids, removal of large, at vaginal junction, 62.
fibro-myomata, operative treatment of, 597.
mucous membrance during menstruation, 500.
myoma, 457.
myomata, ergot in, 100.
repositor, a new, 51.
Uterus and vagina, double, 91.
cancer of the, 320.
dilatation of, 27, 149.
extirpation of, and some of its advocates 298, 400 578
is extirpation a justifiable operation in cancer of. 528.
massage of the, 439.
Mathews Duncan on minor displacements of 661.
modification of Freund's operation for removal of, 228.
new operation for reduction of chronic inversion of, 659.
on the behavior of the in puerperal eclampsia. 361.
physiological effects of electricity on the, 155.
removed twenty-four hours after death. 139.
removal of a remarkable fibro cyst of 36.
reposition of complete inversion, 219.
results of the operation for extirpation 152.
superinvolution of, 517.
surgical treatment of prolapse of, 568.

VACCINATION, intra-uterine 392.
Vicarious menstruation. 654.
Vagina, relaxation of, and perineum during labor, 532.
rupture of, during labor, 597.
Vaginal prolapse, 25.
Varicose ulcers, pathology of, 91.
Visceral hysteria, 156.
Vomiting of pregnancy, 30, 140, 151.
pop-corn in, 402, 455.

WATER-BED as a lying-in-bed, 143.
Weir-Mitchell treatment, 211.
Whooping cough, 109, 166.
Why does the nursing woman not conceive? 321.
Womb, cancerous, removed per vaginam, 643.
